A traditional three bedroom detached house built c.1930s fronting to Woodhouse Road, occupying a good sized corner plot with stone walled boundaries and a driveway and detached garage to the rear off Edgar Avenue.

The property is typical of the era of construction and retains character and charm with period features and includes contemporary window shutters to four windows, UPVC double glazing and gas central heating from a combi boiler. The ground floor living accommodation comprises an entrance porch, entrance hall, lounge, dining room, kitchen, pantry, rear lobby, WC, utility and a conservatory. The first floor landing leads to three spacious double bedrooms and a modern bathroom.

The property is positioned within walking distance to a wealth of excellent facilities – including The Brunts Academy.

OUTSIDE

Externally, the front garden provides both privacy and curb appeal, thanks to the brick boundary wall, lawn and mature trees, and a pathway leads to the main side entrance door with gate beyond providing access to the rear garden. The rear garden is enclosed by stone walls and fencing and features a substantial Indian sandstone patio which extends across the full width of the property, central lawn and a useful shed. A sandstone path leads to a gate at the end of the garden with access to the driveway and detached garage.
