Pyotts Cottage comprises a charming, principally stone cottage built in the arts and crafts style, located in the desirable Itton area of Monmouthshire, being close to the historic town of Chepstow with its attendant range of facilities as well as great road access to the M4, M48 networks.

The vendors have undertaken a careful restoration and have extended the property within recent years to provide comfortable, characterful accommodation yet with a stylish, contemporary twist. A particular feature is the superb kitchen/family room (40' x 16') appointed with an extensive range of units and having bi-fold doors leading to the attractive gardens. The property also benefits from five bedrooms, two of which have en-suite facilities, as well as a beautifully presented family bathroom.

The grounds themselves are also noteworthy, being bounded on two sides by an attractive stone wall with lawn, mature trees and shrubs with a very pretty stream running through it.
