Madelena comprises a spacious detached split level family house occupying an enviable location in the sought-after Wye Valley village of Brockweir, itself enjoying an idyllic spot, being close to the historic towns of Chepstow and Monmouth with local village store just along the lane and attractive countryside walks nearby.

Madelena offers deceptively spacious accommodation over two floors with four bedrooms in the principal house along with two reception rooms, kitchen, utility, bathroom and WC, with a lower ground floor annex with potential for use by friends and family or convert to a separate unit (subject to the necessary consents) for rental of Airbnb purposes. The property stands in most attractive gardens and ground and viewing is highly recommended.

OUTSIDE

GARDENS AND GROUNDS

A truly attractive feature of Madalena are its attractive mature gardens, to the front with private driveway approached via double gates, giving access to the car port at the side of the property. The majority of the gardens are located to the rear with super rural views, extensive and attractive terraced areas with various paved seating areas, along with lawned areas and a mature variety of trees, shrubs and flowering plants. The garden is intercepted by a pretty stream with bridge.
