Garden House comprises an individually designed and constructed detached bungalow occupying an enviable location on the popular St. Lawrence Road within the historic town of Chepstow, thus ensuring easy access not only to the town centre and Wye Valley, but also the M48 motorway junction.

Along with the main property there is also a separate guest lodge which offers further accommodation or potential for Airbnb or dependant relative accommodation.

The property is in need of cosmetic updating and repair and this has been reflected in our competitive asking price. The property offers easy and immense potential to create stylish and spacious accommodation within large private gardens.
