## Description

Entering the property a small porch provides a useful space for coat and shoe storage, with a further door giving access into a spacious entrance hall where you have stairs rising to the first floor with attractive wrought iron spindles. From the hallway you have access into the kitchen; this room has been beautifully styled with marble effect tiled flooring and high-gloss, contemporary style coloured base units with contrasting work surface and cream units above. Integrated appliances include oven and hob with extractor above and there is plenty of space for further appliances, including washing machine, dishwasher and fridge/freezer. You have access into the garden from the kitchen. The living room and dining room are open plan to each other, but still very clearly defined spaces. The living room area has a contemporary style fireplace inset and a window to the side aspect, along with views of the garden via the dining room. From the dining room French doors open into the rear garden and there is a further door which gives access into the kitchen. Also to this level is a modern ground floor cloakroom and a shower room with corner shower cubicle, wash hand basin and w.c.

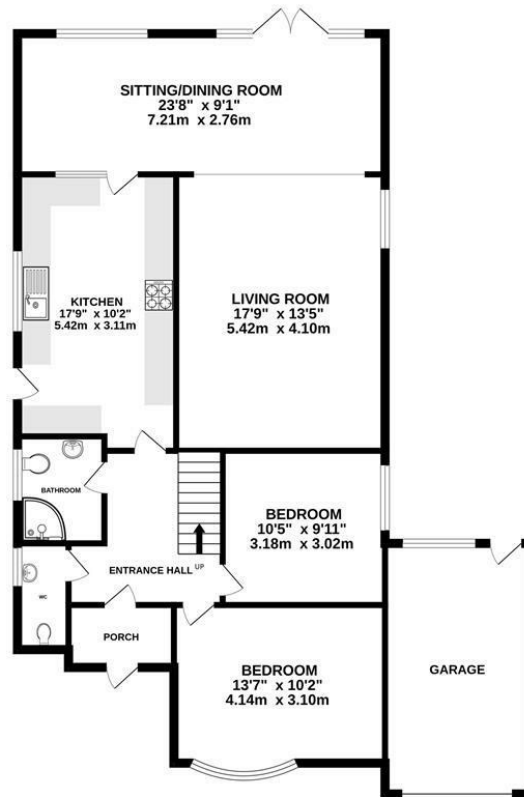

Overall, the property has four double bedrooms, two are located on the ground floor with the remaining two bedrooms located on the first floor, which forms part of the loft conversion. The first-floor bedrooms are large rooms both measuring 20'10 in length and they have views over the garden and fields beyond. Also to this level is a spacious shower room with double, walk-in shower room with handheld shower attachment and overhead rainfall shower, wash hand basin set into in a vanity unit and w.c.

To the rear of the property is a tidy 65' rear garden which backs onto open farmland. The garden commences with a block paved patio leading into neat lawns, with a storage shed at the bottom of the garden. There is access through to the front of the property from the side of the house and via a pedestrian door at the rear of the garage. There is ample parking provided for several vehicles by way of a good-sized loose stone driveway and an attached garage.
