### THE ACCOMMODATION

A welcoming entrance hall leads to a handy ground floor cloakroom/WC and into a well-proportioned sitting room with a pleasant outlook to the front. To the rear, the kitchen/dining room forms the social heart of the home, an excellent everyday space with plenty of room for a family dining table and direct access to the garden, making it ideal for entertaining and summer living.

Upstairs, the first floor provides four bedrooms served by two bath/shower rooms, a particularly attractive feature for families and guests. The principal bedroom enjoys easy access to the shower room, while the remaining bedrooms are versatile: ideal as children's rooms, a home office, or occasional guest space, with a separate family bathroom completing the layout.

### OUTSIDE

To the front is driveway parking leading to the integral garage (excellent for storage, bikes and boards after the beach). The garage also presents potential for conversion or alternative use (subject to any necessary consents). The rear garden is a real selling point, being enclosed, secure and notably sunny, set up for low-stress enjoyment with space for dining, play and relaxed evenings outdoors.

### THE SITUATION

Swan's Reach / Goldenbank is a quiet residential area that has become increasingly popular thanks to the pedestrian links down to Swanpool Lake and Beach. From the sand and nature reserve, the South West Coast Path opens up superb coastal walks towards Maenporth and the Helford, while the town, marinas and day-to-day amenities are all within easy reach.
