### Description

The open plan lounge and dining space forms the heart of the home. It is a generous room with clearly defined areas for relaxing and eating, yet it still feels connected and sociable. There is plenty of room for a large sofa, media unit and dining table, making it ideal for entertaining friends or enjoying quiet evenings in. The period character of the building adds charm, while the neutral décor keeps the space fresh and easy to style. The fitted kitchen sits neatly within this open plan layout. It is modern and well planned, offering good storage and worktop space. Integrated appliances include a fridge freezer, dishwasher, two Zanussi ovens and a washer dryer, helping to keep the look sleek and tidy. Moving through the property, all three bedrooms are comfortable doubles, which is a rare and valuable feature. The main bedroom is a calm retreat with enough space for a king size bed and additional furniture. It also benefits from electric blinds, adding convenience and comfort. The en-suite shower room is finished to a high standard and includes modern fittings with touchscreen controlled taps and shower controls, giving it a smart and contemporary feel. The second and third bedrooms are also generous in size, making them ideal for children, guests, or even a home office for those who work remotely. The family bathroom is equally well presented. The finish is clean and stylish, making it easy to maintain. Throughout the property, care and attention to detail are clear. The home is absolutely immaculate, allowing a new owner to move in without the need for any work. Outside, residents can enjoy a well kept communal garden area with a green space that leads to an elevated view across pleasant scenery.
