Guide Price £1,395,000

Constructed of brick with render this house was rebuilt 5 years ago by the owner with no expense spared. The property consists of 4/5 bedrooms. At present one of the bedrooms is used as a walk in dressing room but can easily be converted back into a fifth bedroom. The property has air co-conditioning throughout including all bedrooms. This beautiful minimalistic detached property offers the discerning purchaser the opportunity to acquire a fabulous family home in a delightful countryside location, yet within easy reach of local amenities and transport links.

On entering the property, you are welcomed by a double height hallway with open tred stairs and a glass balustrade allowing light to flow right through the open plan ground floor living space, consisting of kitchen/diner, living room and utility room. Also, on the slightly lowered ground floor there is a cinema room with full bi-fold doors opening onto the patio and views of the large garden. There is also a WC and a large bedroom suite above which boasts dramatic views of the countryside with WC and shower. The upstairs room is fully independent of the main house and can only be accessed by the stairs below making it a perfect independent but attached guest suite.

To the main house first floor there are 3/4 bedrooms, a Jack & Jill en-suite and a family bathroom. The two bedrooms at the front of the house have a staircase in each room taking you up to the attic rooms. Both attic rooms have reaching views on the countryside. One of the attic rooms has a walk on glass floor looking down at the main entrance hallway.

The property benefits from double glazing and underfloor heating to the main living space. A gas fired central heating has been installed and the property is serviced by a septic tank.

An internal inspection is highly recommended to appreciate the size, style and quality of this lovely family home.

The property is approached through an electrically operated sliding gate to a large Tarmacadam driveway with ample parking for multiple cars with 2 car charging points. There is a triple brick-built garage with Accoya facade design with 2 floors and 3 electrically operated roller doors. The paved front terrace has a glass balustrade and an impressive water feature installation. The perfect place to sit out, relax and watch the sunset. To the rear of the property is a very generous lawned garden with a zip wire, sunken trampoline, decorative boulder fire pit, wild life area with pond and decking and amazing woodland to explore. The rear paved terrace allows areas for outdoor seating and dining and a raised composite deck features a large barrell sauna, jacuzzi and access to the outdoor bar with WC and shower facilities.

The nearby charming and historic village of Prestbury caters for most daily needs, whilst more extensive facilities may be found in Macclesfield, Wilmslow and Alderley Edge, all within short driving distance. Access points to the national motorway network, Inter-City rail travel to London and Manchester International Airport are all within 10 and 30 minutes drive of the property.

DIRECTIONS: From our Prestbury office proceed past St Peter's Church, turning left into Butley Lanes. Continue to the 'T' junction, turning left in the direction of Wilmslow. After a short distance proceed round the sharp left hand bend, adjacent to Mill Lane, where the driveway to Willott Cottage can be found after approximately 300 yards on the left hand side.
