A substantial (approx. 3810sqft including outbuildings), detached family home located on a popular road in Stoke Gifford. Offering tremendous potential, the property boasts three reception rooms, four bedrooms plus loft room, generous gardens, a vast driveway, garage and outbuildings. Offered to the market with no onward chain.

Ground Floor

Upon entering, you are greeted by a wide entrance hall; providing access to the ground floor rooms, garage, and a central staircase rising to the first floor landing.

The main reception room is located to the rear of the property, and spans approx. 26ft in width - offering a fantastic family living space with double doors opening to the rear garden. Adjacent, the kitchen/diner comprises a range of base and wall-mounted units with solid wood doors, a freestanding range cooker, dishwasher, and built-in fridge. The floors are fully tiled, and double doors provide access to the garden.

A second reception room sits at the front of the house, and features a large bay window to the front elevation, allowing for natural light to flood the space. Also located on this floor is a utility room, ground floor WC and study/home office.

First Floor

Ascending to the first floor landing, you will find four bedrooms and a family bathroom.

The main bedroom is located to the rear elevation, and benefits from an en suite shower room and stunning views across the local countryside and beyond. The second bedroom is also a double, with access to a dressing room. Bedrooms 3 & 4 are both singles, and boast large eaves storage cupboards.

Completing the first floor accommodation is a generous family bathroom; encompassing a toilet, bidet, sink and corner bath.

Second Floor

A dogleg staircase leads to the loft room - making for an ideal office space with eaves storage to all four walls.

Externally

From Hambrook Lane, double iron gates provide access to a large, block-paved driveway providing off-street parking for multiple vehicles. From here, access is available to a large garage, and vehicular access is available to the rear of the house and outbuildings.

The property boasts a southerly-facing, expansive rear garden which is primarily laid to lawn with a large, terraced area access directly from the house - ideal for entertaining and enjoying the sun throughout the day. There is real scope for any keen gardeners to develop the rest of the garden, which offers a clean slate.
