Peace of mind in retirement. This is the stated aim of many as the years advance, and for those the relatively recent introduction of specialist retirement developments has been the answer to many of their prayers. Independence with a degree of “hands off” supervision, provides the opportunity to retain ones individuality within the framework of a retirement scheme. One such scheme located in the village of Middleton~on~Sea has become popular locally and this **GROUND FLOOR 2 BEDROOM FLAT** forms part of that development. The residents also know that help is only a call away with the inbuilt care line, a resident manager on the development, plus launderette and guest facilities, all combine to make this well worth considering if you are looking for a little slice of “peace of mind”. If this sounds like it meets your requirements, contact **May's** for an appointment to view.
