Enviably positioned along the highly sought after Warrington Road in Marus Bridge, this beautifully renovated three bedroom end townhouse has undergone a comprehensive scheme of refurbishment and now offers stylish, modern living throughout — perfect for buyers seeking a turn-key home with no onward chain delay.

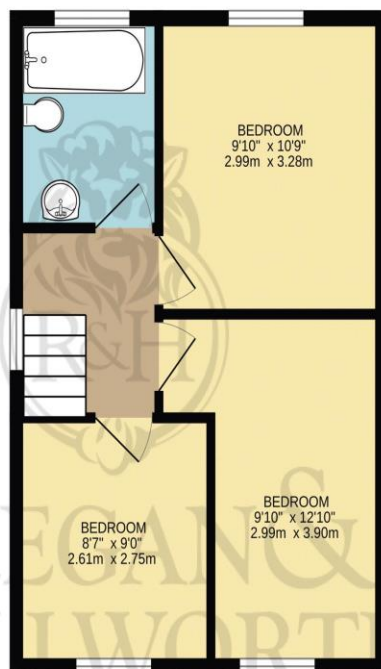

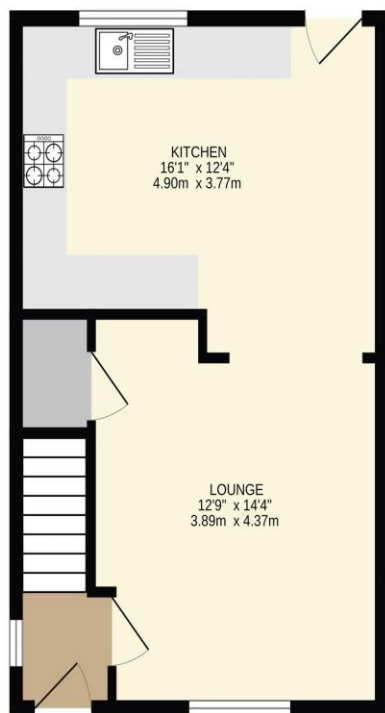

Bought by the current owner, who over the last 3 / 5 years has renovated from top to bottom, with pretty much everything here being renewed or replaced, from the floors, to the walls & ceilings. The entire heating system was replaced with a new boiler, pipes and radiators, eye-catching in-frame windows have been installed & even skirting boards, architraves & internal doors changed.

Furthermore, the property has been cleverly remodelled to create a contemporary open-plan layout, seamlessly combining living, dining, and kitchen areas for a light and spacious feel, ideal for modern life. The high spec fitted kitchen is finished with quality quartz worktops, Belfast Sink, spot lighting & trendy Herringbone LVT floor which runs through the rest of the ground floor. To the first floor are three well-proportioned bedrooms and a superb fully tiled family bathroom, completing this impressive renovation.

Externally, the home enjoys a neat frontage with an Indian Stone driveway for off-road parking, whilst to the rear is a private, low maintenance rear garden which has been landscaped plus there is a detached garage too for additional storage. Perfectly located close to numerous amenities, excellent schools, shops, and motorway links, this is a fantastic opportunity to purchase a ready-to-move-into home in a highly convenient area. Early viewing is essential to appreciate the standard of finish and space on offer – available with no chain delay.
