Home Estate Agents are delighted to offer for sale this beautifully renovated two bedroom lower ground floor apartment, occupying an enviable position on Alexandra Road within Southend's historic Clifftown Conservation Area characterised by its Victorian architecture, tree lined streets and proximity to the estuary.

The apartment has been finished to an exceptional standard, combining period character with stylish contemporary detailing. The welcoming entrance hall immediately sets the tone with herringbone LVT flooring, wall panelling, column radiator and recessed lighting.

The principal bedroom is particularly impressive, featuring a large sash bay window alongside bespoke fitted wardrobes, drawer storage and an integrated media wall. A second bedroom provides further well-proportioned accommodation, while the luxurious bathroom is finished with marble-effect porcelain tiling and includes a P-shaped bath with rainfall shower.

At the heart of the home is a beautifully designed open plan lounge and kitchen space. Herringbone flooring and wall panelling continue throughout, complemented by an attractive fireplace which could be reinstated for use. The kitchen is finished with marble-effect quartz surfaces, Butler sink, integrated appliances and excellent storage, with doors opening directly onto the garden.

Outside, the property enjoys a generous private south facing tiered garden with patio, gravelled and decked areas, providing excellent space for entertaining. There is also the considerable advantage of off street parking to the rear, accessed via the side of the property.

The location is a major part of the appeal. Prittlewell Square, with its ornamental gardens, pond and fountain, is nearby, together with Alexandra Road Bowling Green, both recognised open spaces within the Clifftown Conservation Area. The seafront and Cliff Gardens are within easy reach, while Southend Central provides direct rail connections into London.

Accommodation Comprises

The property is approached via steps down to a front patio area with storage cupboard. Storm porch with external lighting and a tiled step, composite entrance door with double glazed obscure panels leading into:

Entrance Hallway
