5 Frobisher Drive, Whitby- 2 bed Semi-Detached House -£230,000

Hope & Braim are delighted to present 5 Frobisher Drive, a semi-detached house in a residential setting in Whitby. With a garden, garage and driveway, the property offers practical, well-proportioned accommodation that would suit a range of buyers, from first-time purchasers and young families to those looking to downsize.

The spacious lounge benefits from a west-facing window, bringing in plenty of natural light, particularly in the afternoon and evening. It provides a comfortable space for relaxing and everyday family life.

The kitchen/diner has been extended to create a generous, sociable space at the heart of the home. It is fitted with a range of cabinets, a breakfast bar and integrated appliances. Bifold doors open onto the rear garden, linking the kitchen with the outdoor space and making it well suited to entertaining in the warmer months.

The house has two double bedrooms, both offering good space for bedroom furniture, together with a modern bathroom. Gas central heating and double-glazing are fitted throughout, adding to the comfort and efficiency of the home.

Outside, the L-shaped rear garden is laid to patio and lawn. The patio is a convenient spot for outdoor seating and dining, while the lawn provides room for children to play or for keen gardeners to make their mark. The property also has a garage, with a driveway accessed off Anchorage Way, providing off-road parking and useful additional storage.

Frobisher Drive is well placed for access to Whitby's range of amenities, including shops, schools and local services. The town centre, harbour and beaches are within easy reach, as is the surrounding countryside of the North York Moors.

With an extended kitchen/diner, two double bedrooms, a private garden and a garage, 5 Frobisher Drive offers a well-rounded package in a convenient location.
