Description

Access into this property is to the right-hand side which gives entry directly into the kitchen, there is further access to the property on the left-hand side (original entry door) where you have entry into the hallway; this access point is currently set behind a wooden pedestrian gate to the side. The hallway offers excellent storage by way of fitted cupboards with sliding doors to one wall and gives access into all the main rooms. Laminate, wood effect flooring extends from the hallway into the dining room, lounge and conservatory. A well-fitted kitchen has a good range of wall and base units with contrasting work surface over, with attractive tiled splashbacks and tiled flooring. Integrated appliances include a gas hob with extractor above and double ovens, and there is space for free standing full height fridge/freezer and dishwasher, with further space for a washing machine and tumble dryer in the utility cupboard.

The property has two spacious reception rooms; a dining room which has potential for a third bedroom (if required) and a bright lounge which sits at the rear of the property and is open plan to a large conservatory with vaulted roof and access into the rear garden. There are two bedrooms, with one having fitted wardrobes to one wall. Viewers will note that in the largest bedroom there is space for an en-suite shower. Currently that space is being utilised as hanging space, but the walls and flooring remain tiled, and the electric shower and plumbing are still in place, allowing for it to easily be returned to its original use. Finishing the accommodation is a fully tiled shower room with walk-in shower, wash hand basin set into a vanity unit and a w.c with hidden cistern.

At the rear of the property there is a well-tended garden which features a spacious patio to the side, and a central pathway flanked by lawns and well-stocked flowerbeds. At the bottom of the garden there is a large, timber outbuilding with power and light connected; this has great potential for a home office / gym or games room. There is plenty of off-street parking for several vehicles, by way of a large block paved, driveway with security bollards for peace of mind. Plus, there is an attached garage to the side which has useful pedestrian access at the rear into the garden.
