Description

A recessed entrance porch opens into the entrance hall, which is in need of decorative updating and provides access to the principal ground floor accommodation. To the front of the property is a comfortable living room featuring an attractive bay window, while the separate dining room overlooks the rear garden and benefits from a charming wood burner-style gas fire, an understairs storage cupboard and a rear-facing window. The well-appointed kitchen is fitted with a range of eye and base level units and enjoys plenty of natural light from windows to both the side and rear, together with a door providing direct access to the garden.

The first-floor landing leads to the spacious principal bedroom, positioned at the front of the property and benefiting from two windows and fitted wardrobes. The second bedroom overlooks the rear garden, while the family bathroom is generously sized and fitted with both a panelled bath and a separate shower cubicle.

Externally, the rear garden commences with a paved patio, providing an ideal space for al fresco dining and entertaining. The remainder is mainly laid to lawn with mature planted borders, and gated side access offers convenient access between the front and rear of the property.
