Tucked away towards the end of a small cul-de-sac is this well presented two bedroom home which has allocated parking for two cars. The property enjoys one of the more popular designs in layout with a kitchen & dining room to the rear, with access to the enclosed rear garden, and a spacious lounge to the front. On the first floor are two bedrooms, both with fitted wardrobes, and a family bathroom with a window. The house has also just undergone redecoration with neutral and tasteful decor throughout. The property sits within easy walking distance to the Solent Business Park and the Whiteley Shopping Centre that plays host to a number of well know retail shops, large chain restaurants and a multiscreen cinema. Additionally, Junction 9 of the M27 and Swanwick Train Station are close by, giving this property an edge for someone who requires the need to commute. The property is available for a long term rental and to find out more information or to arrange a viewing, please contact SBK Lettings Department.
