Situation

A rarely available and well extended detached bungalow, tucked away along a private lane in an enviable location within minutes' walk of the mainline train station

Hurstpierpoint is a vibrant village with a bustling High Street including a greengrocers, deli, butchers, post office, 4 restaurants, 3 public houses and a church. The larger village of Hassocks with its mainline train station provides regular rail services to London. There are also a range of revered state and private schools locally.

Rarely available and set in a superb location, along a private lane bordering the South Downs National Park, this impressive detached bungalow occupies a generous plot in a peaceful semi-rural setting and lies within easy reach of both the High Street and mainline train station. Having been thoughtfully extended over time with scope to further enlarge (stnc), the property offers versatile and well balanced accommodation, currently arranged with three reception areas including a spacious sitting room with a focal multi fuelled burner, a welcoming dining hall and a bright kitchen/breakfast room. The kitchen is fitted with a range of integrated appliances, bi-fold doors and complemented by a stylish modern maple wood breakfast bar, while a charming garden room at the front of the property provides an additional space to enjoy the surroundings. There are three well proportioned bedrooms served by a large family bathroom and a separate shower room complete with a fitted sauna. The beautifully private rear gardens extend to the east and are mainly laid to lawn, bordered by an array of mature shrubs, colourful planting and specimen fruit trees. A decked terrace adjoining the property and a further pergola covered seating area at the far end of the garden provide idyllic settings for outdoor entertaining or quiet relaxation. To the front, a driveway offers ample parking for several vehicles and access to a detached double garage with an electric door.

External

The property is approached over a tarmacadam driveway with parking for several vehicles and access to the detached double garage with electronically controlled garage door. The garage has an electric 'Tesla' charging port installed on the side. To the side of the driveway lies a front lawn bordered by well stocked shrub and plant beds. To the side of the garage is a useful timber garden shed. Side access to the rear garden is via gates on either side of the property, where a large decked area adjoins the rear of the property. A central lawn extends to the east bordered on either side with well stocked shrub and plant beds along with fruit trees. At the end of the garden is a paved terrace covered with a vine wrapped pergola. External storage is plentiful with four timber garden sheds.
