DESCRIPTION

Situated in an elevated position within the sought-after town of Wadebridge, 42 Oak View Road is an attractive and thoughtfully extended three-storey home, beautifully presented throughout and ideally suited to family life or as an investment opportunity. Conveniently positioned less than half a mile from the town centre, the property offers well-proportioned accommodation arranged over three floors, together with two allocated parking spaces and an attractive tiered rear garden.

THE PROPERTY

The accommodation is approached via a welcoming entrance hall with doors leading to the kitchen, cloakroom and sitting/dining room.

The modern kitchen has been updated to provide a good range of wall and base units, complemented by a composite sink, built-in oven and gas hob, together with an Aga and space for further appliances.

The sitting room provides a comfortable and inviting space, with an electric fireplace creating an attractive focal point. The room opens through to the rear extension, which offers versatility as a dining area or additional reception space, with double doors opening onto the garden beyond.

To the first floor are two bedrooms and the family bathroom. The bedroom two is a generous double with an excellent range of fitted wardrobes, whilst bedroom three is a smaller double room, enjoying a large front-facing window together with a fitted wardrobe and dressing table.

Stairs continue to the second floor, with a useful area at the foot of the stairs providing an ideal space for a home office, study or reading area. The second-floor principal suite comprises a particularly spacious double bedroom with fitted wardrobes and drawers, useful eaves storage and ample room for an additional seating area. A private en-suite shower room completes the suite.

OUTSIDE

To the front of the property are two allocated parking spaces, with a paved pathway leading to the front entrance.

The enclosed rear garden is arranged over two tiers and provides an appealing space for both relaxing and entertaining. A paved patio offers an ideal area for outdoor dining, whilst raised flower beds and a water feature add interest and character.

At the rear of the garden is a well-insulated summer house, offering excellent versatility and currently lending itself equally well to use as a home office, studio or hobby room.
