Potential:

Ground Floor – (Number 10)

On the ground floor, there is a good-sized reception room to the front of the property. A second reception/dining room opens onto the rear garden, and an arched doorway leads through to a further reception area with a fireplace.

The kitchen is fitted with a range of cream wall and base units. The hallway provides useful under-stairs storage and there is a separate utility room to the rear of the property, with access to the garden. Hallway leading to a well-presented bathroom with a white suite and shower over the bath. Access to garden.

First Floor – (Number 10A)

Upstairs, there are three well-proportioned bedrooms. The main bedroom is positioned at the front and benefits from a bay window and fireplace. An adjoining room could be used as a dressing room, study, en-suite or additional bedroom/nursery.

Bedroom two is particularly spacious and includes a wash basin and fitted wardrobes, while bedroom three overlooks the rear garden.

The family bathroom features a white suite with shower over the bath and a side window. The current first-floor kitchen offers further potential and could be converted into an additional bedroom or bathroom if required.

## OUTSIDE

To the front, there is private off-street parking for two vehicles, along with mature hedging and planted flower beds. The rear garden is mostly laid to lawn with borders and hedging providing privacy.
