## SITUATION

This handsome Victorian townhouse occupies an enviable position on one of Yeovil's most prestigious roads, surrounded by attractive detached and semi-detached homes within a designated conservation area. The property enjoys open views across Sidney Gardens, laid out in 1898 to commemorate Queen Victoria's Diamond Jubilee. Ideally located, the house is within easy walking distance of Yeovil Hospital and Yeovil College, whilst the town centre lies just half a mile away. Here, residents benefit from an excellent range of shopping, recreational, and educational facilities, together with a mainline rail service providing direct connections to Exeter and London Waterloo.

## DESCRIPTION

This delightful semi-detached Victorian townhouse is constructed primarily of attractive brick elevations, complemented by quarried Hamstone detailing and set beneath a slate roof. The property showcases a wealth of period charm and character, typical of its era, including open fireplaces, a sweeping staircase, tessellated flooring, and traditional high ceilings adorned with deep coricing, picture rails, and decorative ceiling roses. The ground floor is centred around a welcoming reception hall, leading to two elegant reception rooms, both featuring bay windows. To the rear lies a contemporary open-plan kitchen with an adjoining living/dining area, together with a utility room and cloakroom. In addition, the property benefits from a self-contained one-bedroom annexe, providing excellent flexibility for extended family living or income potential.

On the first floor are three generous double bedrooms, two of which enjoy en-suite facilities, along with a well-appointed family bathroom. The second floor offers three further bedrooms and a cloakroom, making the accommodation ideal for larger families. Externally, the property enjoys extensive off-road parking, including a twin-outlet EV charging points, side access gates, and a brick-built garage with an adjoining outdoor kitchen area. The enclosed gardens, which are largely walled, provide a high degree of privacy and include a substantial sun terrace and a highly useful timber workshop/studio.

## ACCOMMODATION
