This impressive four-bedroom detached property enjoys elevated views and offers a superb blend of contemporary design and generous living space throughout. You are welcomed through an inviting entrance hall, which leads directly into the heart of the home: an expansive open-plan kitchen, dining and living area.

Flooded with natural light from multiple skylights and French doors, the space is further enhanced by thoughtful spotlighting and under-cabinet lighting. Quartz worktops pair beautifully with shaker-style cabinetry, while the central island makes a striking feature with solid oak cabinet doors, wood-finish worktops, a double socket to the side and a triple pop-up socket set neatly into the surface.

The island also houses the integrated wine cooler. Additional integrated appliances include a dishwasher, fridge-freezer and microwave, with the Rangemaster cooker included in the sale. Underfloor heating runs through the dining area, adding a further touch of comfort.

Connecting from this space is a ground floor WC and side access, both benefiting from additional skylights, while off the entrance hall sits a cosy yet ample-sized living room. This room features an integrated gas fireplace, a walk-in bay window and further French doors providing access outside. A useful utility space is also located off the hallway.

Upstairs, the principal bedroom is a standout feature, boasting a vaulted ceiling and a contemporary en-suite shower room. French doors from the bedroom open onto a decking area, allowing direct access to the outdoors and making the most of the elevated setting. All the bedrooms are all well proportioned and benefit from fitted wardrobes, with one offering excellent potential as a dedicated office or dressing room. The family bathroom serves these rooms and is finished with sleek vanity units.
