1. The Money Laundering and Terrorist Financing (Amendment) Regulations 2026 (as amended). Estate Agents are required by law to conduct anti money laundering checks on all clients who either sell, buy, rent or let a property. We will conduct these checks in accordance with the current HMRC guidelines: Intending tenants and permitted occupiers will be asked to produce identification documentation as part of the referencing process. 2. General: While we endeavour to make our letting particulars fair, accurate and reliable, they are only a general guide to the property and accordingly if there is any point which is of particular importance, please contact our office and we will endeavour to check the position for you. 3. Measurements: Where stated, these approximate room sizes or any stated areas are only intended as general guidance. 4. White Goods & Electrical Appliances: Where these are left in the property these can be used, however should any items require repair, or be beyond repair, the Landlord does not undertake to pay for repairs or to replace the items, except those which the Landlord is required to do by law. 5. Photographs: These may have been taken using a wide angle lens which also has the potential to make rooms look larger and may be representative of the property's accommodation historically and therefore viewing of the property is recommended before committing to being referenced and taking up a tenancy. 6. Leonards for themselves and their landlords of this property, whose agents they are give, notice that these particulars are issued in good faith but do not constitute representations of fact or form part of any offer or contract. Matters referred to should be independently verified by any prospective tenant. Neither Leonards, nor any of its employees or agents has any authority to make or give any representation or warranty in relation to this property
