32 Bishopstone Drive, Herne Bay CT6 6RE

Offered with no onward chain, this detached chalet-style property occupies a highly sought-after position in a coastal village, just moments from the seafront, beach, local amenities, and with convenient transport links to Herne Bay, popular Whitstable with its working harbour and the Cathedral City of Canterbury.

The existing chalet provides a versatile and characterful layout, including ground-floor living accommodation and an open-plan lounge with a spiral staircase rising to a first-floor loft room. A modern kitchen and bathroom are already in place, offering a comfortable base whether you choose to occupy, extend, or redevelop. Planning permission has been granted for a single-storey extension (Canterbury City Council ref: CA/23/00530), with plans available for inspection.

Externally, the property benefits from a substantial plot that opens up significant development possibilities. There is clear potential for redevelopment or even subdivision (subject to the necessary consents) to create two separate dwellings.

A double garage and additional outbuildings further enhance the flexibility on offer. A detached cabin, which has been granted change of use, provides immediate scope for ancillary accommodation or a variety of alternative uses. Together, the outbuildings lend themselves to options such as a self-contained annex, home office or business premises, or additional residential space, depending on requirements and permissions.
