## **Property Introduction**

Dating back to 1894, this fantastic Victorian terraced home retains many period features, including decorative fireplaces, corniced ceilings and bay windows.

Boasting three receptions rooms, three bedrooms, a kitchen and family bathroom, we feel that the property offers versatile accommodation for family living within walking distance of schools and village amenities.

To the rear of the property, there is an attractive enclosed courtyard garden. All in all, a most spacious and well presented property on a quiet gated pedestrianised terrace which we highly recommend viewing.

The terrace was originally named 'Victoria Terrace' and the name 'Tretorvic' evolved from the remaining letters of the street sign that were salvaged at that time.

## **Location**

Heamoor benefits from junior and secondary schooling along with a convenience store, fish and chip shop, bakery and Public House, all within walking distance. The village is also within walking distance, or ride on the bus to Penzance which is less than a mile away.

Penzance is a vibrant town and the largest in West Cornwall and is a popular tourist resort with its lovely promenade and fantastic sea views into Mount's Bay. Along with many independent shops, Penzance has a mainline Railway Station with direct links to London Paddington and the north of England, as well as a bus station. There are lovely rural walks to enjoy nearby and the beaches of Longrock and Marazion are less than two miles away.
