DESCRIPTION

Wildrose cottage is an attractive stone built, double-fronted cottage situated in the centre of West Witton. The property is well presented and benefits from being fully double glazed and having oil fired central heating.

The property is entered directly into an open plan living room which is spacious with a log burner set into the chimney breast. The room has two windows with seats to the front and space for a dining table. To the rear of the property is the kitchen which features a range of fitted units, an oven with hob and plumbing for a washing machine. There is space for a freestanding fridge freezer, a brick feature alcove with shelving and a door out to the rear garden.

To the first floor there are two double bedrooms overlooking the main village to the front. There is a spacious bathroom with WC, hand basin, shower cubicle and a bath.

Externally the property is complemented by a private rear garden which is

enclosed by walled boundaries. This is low maintenance with a lawn and patio for seating together with a stone-built store for gardening equipment. Usefully, there is a right of way leading to the front of the property. Parking is on street at the front of the property.

Overall, Wildrose Cottage would make an excellent full-time home or holiday home and it will appeal to those looking for a first home or to downsize.
