Set between the coastline of Swansea Bay and the village atmosphere of Mumbles, West Cross offers a lifestyle shaped by sea views, coastal walks and everyday convenience. Local cafés, schools, green spaces and seafront routes are all close at hand, with the wider beaches and landscapes of Gower within easy reach.

Occupying a plot of approximately 0.10 acres, this detached bungalow presents generous single level living and is offered to the market with no onward chain. Extending to around 1,501 square feet, the accommodation is thoughtfully arranged with well balanced reception and bedroom space.

A porch opens into the central hallway, leading through to the lounge, separate dining room and kitchen. Bedroom one benefits from the addition of a conservatory, creating a peaceful place to enjoy the garden throughout the seasons. Bedroom two enjoys spectacular views across Swansea Bay, with the conservatory also taking full advantage of this impressive outlook.

Outside, the front of the property provides private driveway parking for two to three vehicles leading to the garage, alongside a low maintenance gravelled garden. To the rear, a patio seating area opens onto an established lawned garden filled with a variety of flowers, trees and shrubs. Access to the basement and garage adds further practicality.
