DESCRIPTION

Badgers Cottage offers the best of both worlds. Privacy and seclusion yet still within easy reach of Nailsworth town centre.

Tucked away at the end of a rural track, this gem of a home offers versatile space for a family with a large garden, parking and spacious rooms.

The property combines period charm with modern day updates including underfloor heating throughout the entire house powered by ground source heat pumps and solar water heating, combining comfort with environmental efficiency.

Opening to a large boot/laundry room, it's

immediately apparent this is a home well-suited to easy country living. Offering ample room to store muddy boots and coats along with plentiful space to hide laundry away, the home is both practical and welcoming.

The heart of any home is always the kitchen and Badgers Cottage is no exception. A later addition to the property designed to meet the needs of modern-day living, the kitchen is filled with natural light. Bespoke wooden units with granite worktops provide ample discreet storage and preparation space.

A spacious dining/breakfast room leads open-plan from the kitchen with bespoke bronze windows and doors opening to a

patio, making an ideal spot for a morning coffee or alfresco entertaining.

A play room/home office leads off the kitchen which could easily be incorporated into the main kitchen to create an area for additional relaxed living.

The sitting room is located in the older part of the house. A spacious room with thick warming walls, pretty window seats and two wood burning stoves at opposite ends makes for cosy winter nights with family and friends.

Stairs lead off the dining area to a good-sized home office and cloakroom.

Five bedrooms are located across the upper two floors with 3 first floor bedrooms and a family bathroom and a further two bedrooms, one with stylish en-suite and freestanding bath on the second floor. All of the bedrooms benefit from wonderful views over the Nailsworth Valley.

GARDEN & GROUNDS

A good-sized tiered garden is located to the rear of the property, affording magnificent views across the valley.

A level area is ideal for a trampoline or sun terrace and the boundary is enclosed with dry stone walling.

There is ample parking for several cars.
