£399,950 Freehold

**** FOUR BEDROOMS ** EN-SUITE & FAMILY BATHROOM ** SINGLE GARAGE **** This extended four-bedroom semi-detached home in Warsash has been lovingly owned by the same family since 1996, offering a rare opportunity to acquire a well-maintained and thoughtfully improved property in a sought-after location.

The spacious lounge at the front of the home provides a welcoming and comfortable living space, while the modern kitchen at the rear features an open archway leading into a generous dining area, creating a natural flow between spaces. The dining room, in turn, opens into a bright and airy conservatory which leads into the rear garden, further enhancing the sense of space and light.

On the first floor, there are three well-proportioned bedrooms, complemented by a modernised shower room. The current owners have transformed the loft into a stunning master suite, seamlessly incorporating a bright landing with a Velux window that floods the staircase with natural light. This beautifully executed conversion leads to an impressive master bedroom, complete with an en-suite bathroom.

The property has recently been redecorated, offering a fresh and inviting feel throughout. Energy efficiency is also a key feature, the property is a rating B on the Energy Performance Certificate, with the benefit of owned solar panels on a feed-in tariff, providing energy efficiency while also generating payments from the grid for surplus electricity produced.

Externally, the home boasts a single garage with driveway parking directly in front. Positioned down a private driveway serving only four properties, it offers privacy and a safe environment, ideal for families with children.

Located within minutes of Warsash Common, Hook with Warsash School, and the village centre, this home provides excellent access to green spaces, schools, and local amenities. The popular Locks Heath Shopping Centre is also just a 20-minute walk away, ensuring convenience while maintaining a peaceful, tucked-away setting.
