THE PROPERTY

Substantial, Unique Property With Magnificent Panoramic Views

Oak Lodge, 2 Jenkins Garth is an exceptional and versatile property, ideally situated just off the Market Place in the heart of the thriving market town of Leyburn.

Currently arranged as two connected two-bedroom properties, comprising an immaculate bungalow and a successful Airbnb-style holiday-let accommodation, this is a rare opportunity offering a wealth of possibilities for a variety of buyers. The properties could continue to be enjoyed as two separate residences, providing an attractive opportunity for multi-generational living or an income-generating business, or alternatively, the accommodation could be reconfigured to create one substantial four or five-bedroom family home.

The bungalow is an immaculate two-bedroom property offering well-proportioned and comfortable accommodation. The good-sized kitchen leads through to a dining room and living room, while the fabulous sun room provides a wonderful space in which to relax and take in the breath-taking, far-reaching views across the valley towards Middleham and beyond. The principal bedroom benefits from an en-suite shower room, while a separate WC is conveniently located off the rear porch, which also provides useful space for coats, boots and everyday essentials.

Oak Lodge House is currently operated as a holiday let and is connected to the bungalow via an integral door. Arranged over two floors, this attractive property features two generous double bedrooms on the ground floor, both benefiting from en-suite shower rooms and their own sun rooms. The first floor provides a superb open-plan kitchen and living area, designed to make the most of the spectacular valley views towards Middleham and the surrounding countryside. A useful utility room with WC completes the accommodation.

Both properties benefit from gas central heating, double glazing and solar power, adding to the practicality and appeal of this distinctive offering.

Externally, a generous block-paved parking area to the front provides ample space for several vehicles, a particularly valuable feature so close to the town centre. To the rear, each property enjoys its own enclosed garden, predominantly laid to lawn and complemented by patio seating areas, providing lovely spots to sit out, entertain and appreciate the outstanding views. An additional undercroft beneath the bungalow offers useful storage for garden equipment and other outdoor essentials.

The location is equally appealing. Leyburn is a popular and thriving market town offering an excellent range of independent shops, cafés, pubs, restaurants, schools and churches, together with a health centre, sports facilities and children's play areas. The much-loved weekly Friday market adds to the town's lively atmosphere, while excellent road links provide convenient access to Richmond, Bedale, Northallerton and the A1(M).

Combining an enviable town-centre location, spectacular views, generous parking, private gardens and exceptional flexibility, Oak Lodge, 2 Jenkins Garth presents a rare opportunity to acquire a highly adaptable property with considerable appeal. Whether purchased as two connected homes, for multi-generational living, as a home with holiday-let potential or transformed into one substantial family residence, this is a property with exciting possibilities.
