The living space is open plan and offers plentiful space for both a relaxed seating area and a family dining table with chairs. A separate fitted kitchen features a good range of wall and base units with ample worktops, leaving space for white goods. Opening skylight domes above provide plenty of natural light and ventilation.

From the living room, an inner hallway, with a handy storage cupboard, leads through to both good size bedrooms; the principal bedroom benefitting from built-in wardrobes. The family bathroom, also with an opening skylight dome, completes the accommodation.

Outside. The access balcony space provides opportunity to sit and enjoy the good weather, however it should be noted this is a shared access route to other homes. An allocated parking space can be found close to the communal entrance door, which has a practical entry phone system. Residents have use of a coded communal bin store & additional coded outside storage space.
