The Property

A particularly well presented 1 bedroom bungalow forming part of the Dibleys Heritage Estate, a managed development for residents of aged 55 years and over, situated in the heart of this charming village set in grounds of 6 acres.

This thoughtfully configured bungalow features a good sized living room and private patio area. The bathroom has been updated with a walk-in shower and electric heating has been installed by Dibleys Heritage to replace the communal heating system. The property has the added advantage of a garage close by in a separate block.

Dibleys Heritage Ltd is a non profit residential management company. A monthly charge of £320.37 (reviewed in September 2025), plus a further £15 per month for the garage covers all external maintenance of the property and maintenance of the grounds. The development was completed in 1969 and each property has been systematically updated, including new windows and roofs by Dibleys Heritage for the peace of mind of the residents.

Some material information to note: Electric heating, mains water, electricity and drainage. Ofcom checker indicates standard to ultrafast broadband is available. Ofcom checker indicates mobile availability and data voice calls could be compromised with some major providers. The government portal generally highlights this as an unlikely/very low risk address for flooding. We are not aware of any planning permissions in place which would negatively affect the property. Properties built or renovated pre-1999 may contain asbestos in certain building materials e.g. Artex, vinyl tiles, sheet boards and corrugated roofing, pipework and lagging/insulation. These are generally considered safe unless disturbed but prospective buyers must take their own advice.
