54 Linseed Way, Yapton, Arundel, West Sussex BN18 0GJ
OIEO £375,000

The location offers the best of village living, with a peaceful setting while remaining close to a range of everyday amenities. Yapton provides local shops, schools, a village hall, recreation grounds and a local park, while nearby Barnham offers further amenities together with a railway station providing services towards Chichester, Brighton and London. The surrounding area also provides easy access to the beautiful Sussex coastline, countryside and a variety of popular towns and villages. There are a range of schools for all age ranges close by, easily accessible by varying modes of transport including local bus routes.

Combining spacious accommodation with excellent outside space, convenient parking and a range of desirable features, this is a superb opportunity to acquire a well-equipped detached family home in a convenient village location. Viewing is highly advised to appreciate everything this property has to offer.

The accommodation begins with a welcoming entrance hall leading into the generously sized living room, a bright and comfortable space ideal for relaxing. To the rear of the property, the impressive kitchen/dining room forms the heart of the home, with patio doors opening out to the enclosed rear garden. The kitchen is fitted with a range of base and eye-level units, integrated appliances and additional space for freestanding appliances. A convenient ground floor cloakroom and storage cupboard complete the ground floor.

Upstairs, the spacious master bedroom benefits from its own en-suite shower room, while two further well-proportioned bedrooms are served by a family bathroom. The layout provides excellent flexibility for family living, guests or those looking to create a dedicated home office.

Outside, the enclosed south/east facing rear garden provides a private and enjoyable space for outdoor dining, entertaining and relaxing. Laid predominantly to lawn, the garden also benefits from a gate providing access to the front of the property. Here, a detached garage with driveway parking directly in front offers convenient off-road parking and excellent additional storage. The owned solar panels and electric vehicle charging point are further benefits, providing useful energy-efficient features.
