DESCRIPTION

Hunters are delighted to present this rarely available first-floor apartment, set within an elegant Grade II listed building and enjoying breathtaking sea views to the front and outlooks across the beautiful Crescent Gardens.

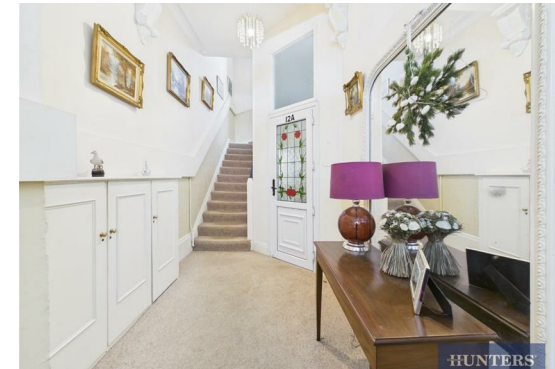

Having been cherished by the same family for nearly 60 years, this exceptional freehold flat offers a rare opportunity to acquire a truly special coastal home, combining character, history and an enviable setting. Offered to the market with no onward chain, it presents an exciting prospect as either a distinguished main residence or an idyllic second home by the sea.

Accessed via a welcoming hallway, the apartment opens into a generously proportioned living room positioned to make the most of the stunning coastal outlook. Large windows frame panoramic sea views, creating a light-filled and uplifting space that perfectly captures the essence of seaside living. From here, doors lead out onto the private balcony – an inviting spot with space for a bistro table and chairs, ideal for morning coffee while watching the waves or evening drinks as the sun sets over the water.

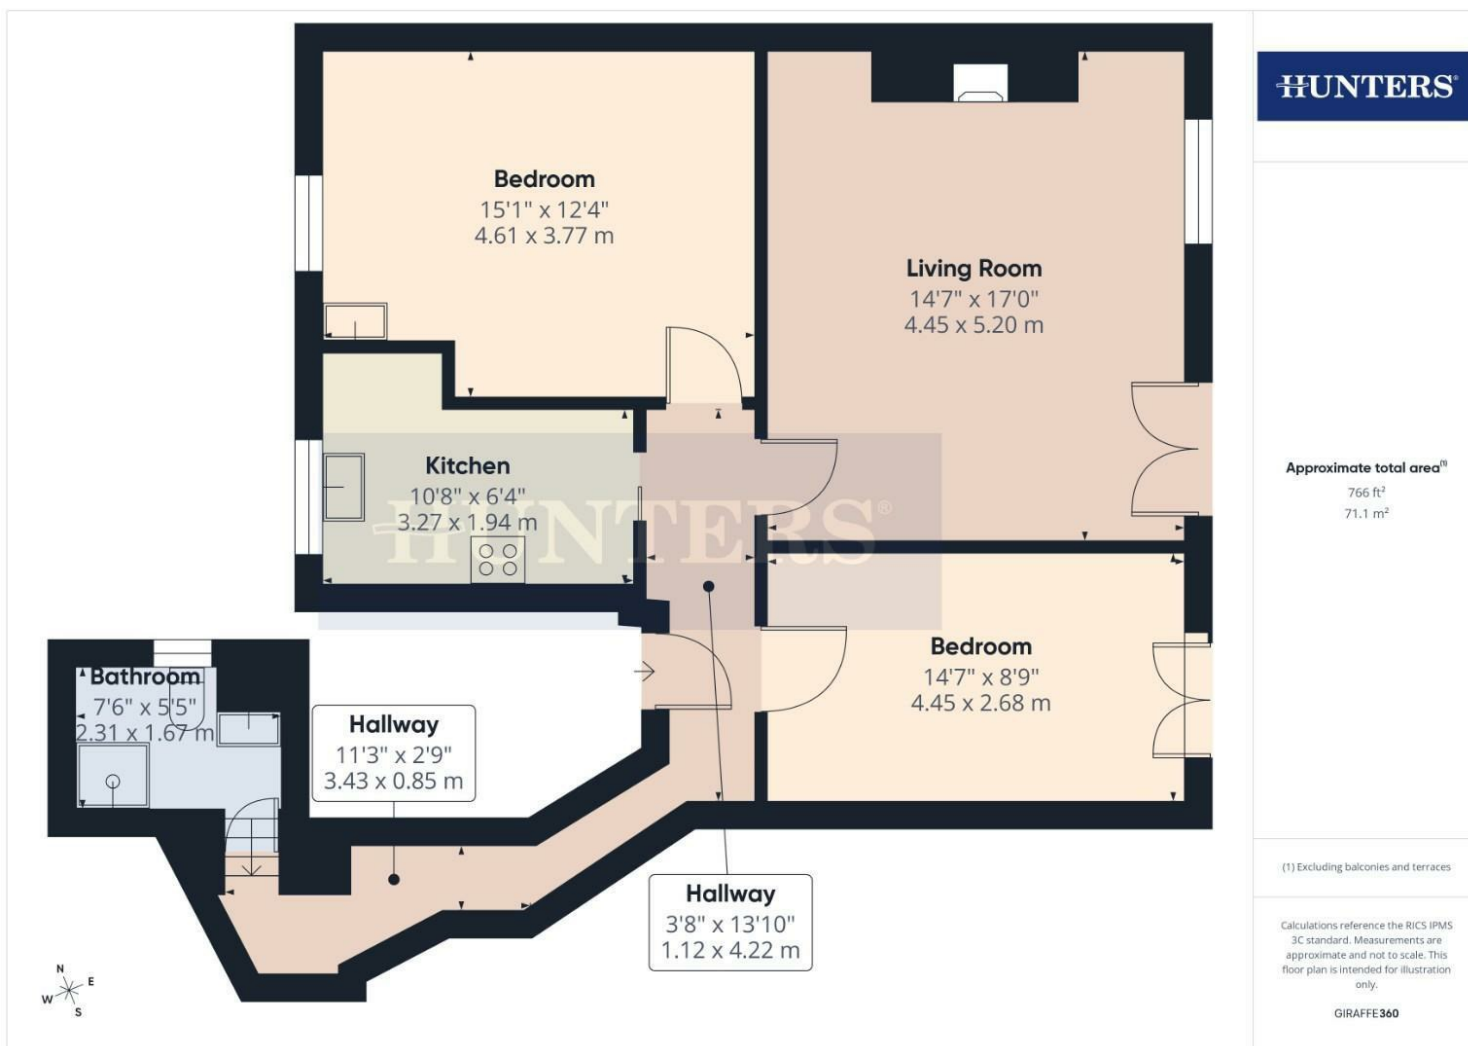

The separate kitchen is thoughtfully arranged, offering a practical layout while remaining in keeping with the character of the building. Two well-proportioned bedrooms provide comfortable accommodation, with the principal bedroom enjoying particularly generous proportions. A bathroom completes the internal layout, all accessed from the central hallway which enhances the sense of space and flow throughout.

Externally, the property's position is truly outstanding. Overlooking Crescent Gardens and with uninterrupted sea views, the setting offers immediate access to Filey's coastline, landscaped gardens and town centre amenities, all within walking distance.

This is more than an apartment; it is a lifestyle opportunity. With its freehold status, deed of covenant in place, no onward chain and decades of careful ownership, this is a rare offering that simply must be viewed.
