Money Laundering Checks

Please be aware that by law we are duty bound to carry out due diligence in terms of money laundering checks on both sellers and buyers, so before an offer can be accepted by a seller we will need to carry out our checks. This will involve seeing photographic ID such as a passport or driving license together with proof of address such as a utility bill. We will then carry out an online verification.

These particulars, whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact, but must satisfy themselves by inspection or otherwise as to their accuracy. No person in this firm's employment has the authority to make/give any representation or warranty in respect of the property.
