Purleigh Close

The ground floor layout of this home is incredibly impressive, beginning with a porch and an inviting entrance hall which hosts the stairs and adjoins a ground floor WC. Left of the hallway is a large lounge which measures 18'8 x 11'1 with a bay window overlooking the front. Adjoined in an open-plan fashion is a traditional dining room which measures 9'6 x 9'6 and the living space has been extended with a conservatory which measures 12'1 x 10'6. The kitchen is a very social space with enough room for a seating area without compromising the abundance of cupboard and surface space on offer. At maximum dimensions, this room measures 22'5 x 17'8 and there are two skylights which keep this room bright and airy throughout the day as well as a set of bi-folding doors into the rear garden. One of the most impressive rooms in the house is the enormous 'cinema room' which measures 16'9 x 17'11, currently boasting a bar and karaoke stage! There are also two bay windows which overlook the front of the home. Completing the ground floor layout is an office space which can also be used as a 5th bedroom, measuring 9'2 x 8'10.

Upstairs are four bedrooms and two bathrooms. Bedroom 1 measures 12'9 x 12'7 at maximum dimensions and benefits from two built in wardrobes and wall space for a television. Adjoining is a three-piece en-suite comprised of walk-in shower, toilet and sink. Bedroom 2 is also a comfortable double bedroom, measuring 11'7 x 11'3, also boasting a built-in wardrobe. Bedroom 3 and bedroom 4 measures 6'11 x 9'1 and 9'8 x 6'2 respectively. The family bathroom is a four-piece suite comprised of walk-in shower, separate bath, toilet and sink.

The external benefits are equally impressive, beginning with the cleverly designed rear garden. The garden is separated into sections, beginning with a social 'bar' area incorporating seats for guests. There is a paved space with is very low maintenance, which leads through to the gated swimming pool and circular cabin. The swimming pool area is fantastic with further seating areas and the heated swimming pool which has been fitted with jets and can reach hot tub temperatures, making it usable all year round! The cabin is a phenomenal space, particularly in the cold winter months with seating, wrapping around a fully functional wood burner, keeping the cabin toasty. To the front of the home is an abundance of parking and there are plenty of space to park on the street for any overspill of guests.

We cannot stress the importance of visiting this home first hand and seeing all of benefits on offer. Call us today to organise a viewing!
