A detached bungalow situated in a quiet cul-de-sac close to the centre of this picturesque village, which has a range of local amenities and an active community.

The current owners have carried out a comprehensive programme of refurbishment and modernisation, including a redesigned open-plan kitchen/dining room, replacement windows, a new shower room and professionally landscaped front and rear gardens.

The tastefully presented accommodation comprises an entrance hall, a double-aspect sitting room with views over the front garden and village green, and a recently redesigned kitchen/dining room with a range of built-in appliances, including a ceramic hob, eye-level oven and grill.

There are two double bedrooms, both with built-in wardrobes, together with a modern shower room and cloakroom.

Outside, the rear garden has a large flagstone patio extending across the full width of the property, with a lawn, gravel border and pathway, a selection of fruit trees and barked shrub beds. The garden is enclosed by fencing.

A detached garden room/studio provides additional flexible space suitable for use as a home office, games room or further sitting area.

The front garden has a wide frontage and provides access to the attached garage, which has an electronically operated roller door. There is also ample off-road parking and turning space.

SITUATION
