IF YOU LIVED HERE...

From your welcoming hallway head up to the first floor landing. You'll find your reception to the front, flooded with natural light from your bay window plus a second shuttered sash. There's pendulum lighting overhead, a wood burning stove and some handy bespoke storage to one corner. Next door is the first of your two bedrooms, with restful green walls. Engineered hardwood flooring flows underfoot and another double bedroom follows, as attractive as the first.

Your landing opens out onto your kitchen/diner, another superb space, light filled and airy. Glossy cream tiles lie underfoot, matching the sleek and simple units topped with hardwood worktops. A terrazo backsplash is the finishing touch. Pass through to find your bathroom, as cool and modern as you would expect. A chrome gooseneck shower sits above the panel sided tub, next to a floating vanity sink. Here you'll also find stairs down to your fully fenced private patio garden.

Outside, and you're just nine minutes on foot from Wanstead tube station. From here the Central Line will take you to Liverpool Street in under twenty minutes. It's only 7 minutes to Snarebrook tube also, so you have lots of choice. Staying local, you're spoilt for choice when it comes to green spaces, being moments from Christchurch Green, under half a mile from Leyton Flats, and twenty minutes' stroll from Wanstead Flats. All your day-to-day amenities, wining, and dining are on your doorstep in this ever-popular East London village.

WHAT ELSE?

- Your new local is The Bull, with a glorious beer garden and superb Sunday roasts.
- The Bungalow Cafe, serving British fare by day and Lebanese cuisine in the evening, is just around the corner.
- Practice your swing at Wanstead Golf Club, a fifteen minute walk away.

A WORD FROM THE OWNER...

'We have loved living in our flat in the heart of Wanstead. The location strikes a rare balance between convenience and calm, with the High Street and Christchurch Green just moments away, while the street itself remains quiet and peaceful. Voluntary Place has a genuine sense of community that feels unusual for London: friendly, supportive, and welcoming.

The space and layout of the property have worked extremely well for us, particularly the large open-plan living and dining area, where we spend most of our time. Owning the loft is an added bonus, offering generous storage and the potential to make use of it in other ways. We have made many happy memories in the flat and hope the new owners will enjoy it and the area as much as we have!'
