Step inside this beautifully presented period home, effortlessly blending modern convenience with timeless charm across generous proportions, including three bedrooms and two bathrooms. The property further boasts a southerly garden and two reception rooms and is presented with no onward chain just moments from Weymouth's vibrant town centre.

The front yard offers a vintage feel, separating the home from the road.

Inside, the lounge and dining room seamlessly blend with box window, feature fireplaces and high ceilings interacting to create vast and characterful living space with ample room for dining and further furniture. The heart of the ground floor hosts the stylish kitchen/breakfast room with an array of recently fitted units and sleek modern cabinetry. Uniquely there is a beautiful glass corner that floods the room with natural light and creates a beautiful focal point. The downstairs bathroom completes the ground floor and offers practicality as a utility room with direct access outside.

The first floor enjoys three double bedrooms, amplifying the space of the accommodation. Bedrooms One and Two enjoy additional character features with period fireplaces in each room. A contemporary shower room finishes the first floor with shower, toilet and basin.

Externally, the large rear garden enjoys a southerly aspect with initial patio area for soaking up the sun; The remainder of the garden is a spacious lawned area with attractive red brick borders and rear access via a gate.

Agents Comments - This period home has been tastefully restored with a sensitive approach maintaining and refurbishing original features, as soon as your step in the tiled floor sets the tone for the period charm that the property offers. A range of amenities are located nearby and the home sits within easy reach to the town centre.

Energy Efficiency Rating			Environmental Impact (CO <sub>2</sub> ) Rating		
Very energy efficient - lower running costs	Current	Potential	Very environmentally friendly - lower CO <sub>2</sub> emissions	Current	Potential
