## LOCATION

The property is accessed off a long-sweeping in an exclusive established leafy setting. The property is about a 15-20 minute walk from the town centre and roughly the same to the train station. The A14 trunk road bypasses Bury St. Edmunds and can be accessed within minutes, in turn providing quick access to the M11 and Stansted (about 50 minutes) in one direction and the East Coast in the other. Bury St. Edmunds itself offers a comprehensive range of amenities and schooling for all ages. Local private schools of particular note include Culford about 4 miles and Old Buckenham in Brettenham about 13 miles.

## THE PROPERTY

Winfield House was designed by the previous owner to have an American feel of space, centred around leisure/family areas whilst offering elegant period style features more in keeping with properties often found in the Medieval Grid (fluted columns, cornicing, high ceilings, etc). The accommodation extends to over 8000sq.ft. and offers considerable versatility with annexe accommodation if required, ground floor bedroom suite and a charming first-floor guest suite with kitchen. The leisure area includes a particularly impressive heated indoor pool opening onto terracing and the garden beyond. The property is well presented throughout and further complemented by a large garage, ample parking, and grounds that extend to nearly an acre.
