## Chanctonbury, Ashington, RH20 3QE

Tucked away towards the end of a cul-de-sac, this immaculately presented and thoughtfully improved four bedroom detached house offers family-friendly accommodation of just over 1600sq ft over two floors. Shops, the Red Lion pub, the village cafe and all local amenities are within just a few minutes walk, along with the primary school, a choice of playparks and a large recreation ground. Older children will enjoy spending time at the youth club near the church and a bus collects and drops off for Steyning Grammar from a couple of stops nearby.

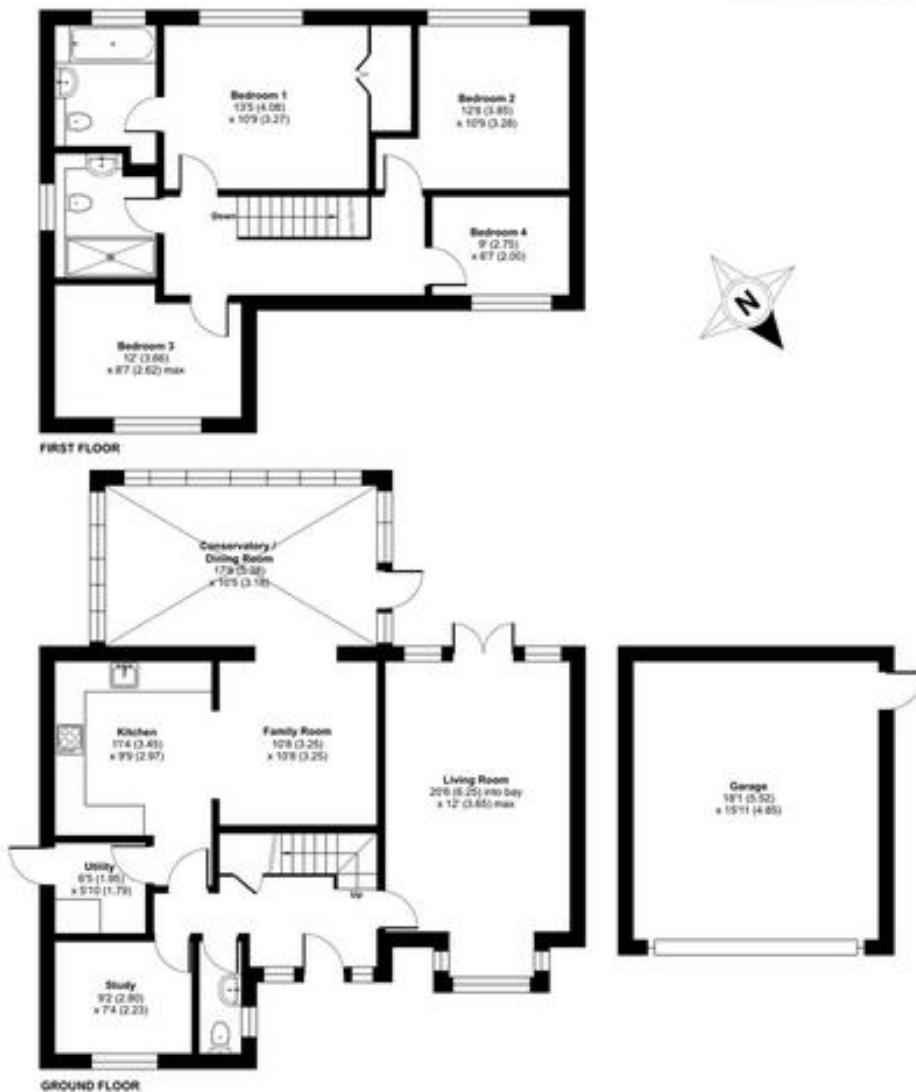

The dual aspect living room opens onto a low maintenance, sun trap south west facing garden. There's a study, perfect for working from home, plus a useful utility room and a downstairs cloaks / wc. The open plan kitchen / family room feels really sociable, great for entertaining and leads to a stunning conservatory, which the current owners use for dining in. Upstairs, three of the bedrooms are doubles, there's a refitted family shower room and an ensuite bathroom. A double width driveway sits in front of the detached garage and there's a very convenient layby right outside the front door, useful for when friends or family come to visit.

Ashington is a really welcoming village, well placed for easy access via the A24 to Horsham to the north and the coast to the south. Further local facilities will be found in the neighbouring villages of Storrington and Thakeham, only a few minutes drive away.

## Energy Performance Certificate

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
