THE LETTING QUARTER

42 Willoughby Way, Hitchin, SG4 9LN

£2,500 Per Month

3 | 1 | 1 | D

Set on the popular south side of Hitchin, this three bedroom semidetached home has been stylishly modernised and is ready to move straight into.
The kitchen is the heart of the home. It has sea foam blue Shaker style units, high end quartz worktop, a butler sink, a range cooker and a generous central island, all set on warm herringbone flooring. French doors open onto the garden and fill the room with light. Next to the kitchen, a separate pantry and utility space keeps everyday clutter neatly out of sight.
Upstairs there are three bedrooms, including a peaceful main double with panelled walls and views across the green space opposite.
Outside, there's a rear garden with side access, and at the front a mature garden and a large driveway with parking for several vehicles.
The town centre, the mainline station with fast links into London and highly regarded schools are all within easy reach. We would recommend an early viewing.
Available from 15th January. EPC rating D (62).
