Property Description

Upon entering through the front door, you are welcomed into a well-appointed dining kitchen. This space is fitted with a range of appliances including an induction hob, double oven with grill, dishwasher, and washing machine, with additional space for a fridge freezer. A selection of wall and base units provide ample storage, complemented by worktop space and a ceramic sink with mixer tap. The room also comfortably accommodates a dining table and chairs. The home's gas combi boiler is neatly housed in a cupboard, and a door leads through to the living room. The living room, accessible from the dining kitchen, conservatory, and rear entrance hall, is a warm and inviting space. It features a multi-fuel burner set within a fireplace with a stone hearth and oak mantel beam. A useful understairs storage cupboard is also located here. From the living room, double doors open into the conservatory, positioned at the rear of the property. This bright and versatile space enjoys views of the garden and provides direct access to the outdoor area. Completing the ground floor is the rear entrance lobby, which offers an additional point of access, links to the living room, and houses the staircase to the first floor.

Upstairs, there are two bedrooms. The main bedroom is positioned at the rear, enjoying views over the garden and also features a charming fireplace and access to a handy storage cupboard, while the second bedroom overlooks open fields to the front.

The family bathroom is fitted with a modern 'P'-shaped bath with shower over and glass screen, pedestal wash basin, and WC, and includes a window to the front elevation. We are advised the loft is partially boarded, with lighting and a drop-down ladder.

Externally, the property benefits from an enclosed front garden laid mainly to lawn with a pebbled pathway. To the rear, a patio area leads onto a South-facing garden, laid mainly to lawn with shrubs and mature trees. A right of way across the neighbouring property provides access to the rear parking area, and a timber garage with power.
