- Extended accommodation
- Long garden

An extended 1,408 sq ft, 3-bedroom semi-detached family house, with a lovely long garden, in a convenient location for the city centre and science park.

The accommodation has been extended to create a spacious, flexible, family home. There is extensive ground-floor living space, a ground-floor WC, and three large bedrooms.

The living/dining room has been knocked through to provide an open-plan space with a bay window to the front, a fireplace, and lovely wood flooring. Sliding doors lead to the 15ft conservatory, which has views and doors to the garden. The kitchen/breakfast room is well fitted and equipped with plenty of cabinets, a double oven, a 5-ring hob and an extractor. There is also a door to the outside. There is an entrance hall, a cloakroom and WC, and a hallway.

Upstairs, there are three bedrooms, two large and one small double, and one with a bay

window. The bathroom has been refitted and is beautifully appointed with a separate walk-in shower, bath, vanity basin and WC. There is wall and floor tiling and a towel rail.

The house has double glazing and gas central heating.

Outside, at the front, there is a lawned garden and a driveway for parking. A narrow driveway to the side of the house leads to the side and rear, where there is a garage and adjoining workshop.

The rear garden is fantastic, mainly lawned and with a patio area, pond, well-stocked beds and a variety of shrubs and trees.

All in all, a wonderful family home, with spacious, well-laid-out accommodation, in a super convenient location.
