OVERVIEW

For over 30 years, our clients have cherished their home, raising children and sharing with friends the delights of drifting through the mature grounds, climbing trees, enjoying fruit from the orchard, games of tennis, summer croquet or riding the family pony. With capacity to hold functions and parking for all occasions and ages, there is also the option of the entertainment room providing an excellent indoor venue, with further guest accommodation in the Coach House.

The Manor and ancillary buildings have been carefully restored to preserve the timeless craftsmanship evident in most rooms, with restored sash windows, original fireplaces, bespoke cabinetry and high ceilings with decorative cornicing. The interiors have been expertly designed by 'The Establishment', creating a seamless blend of historic character and refined contemporary living.

Just minutes from the bustling market town, there are endless places of interest to visit, as well as cafés, local ale houses and independent restaurants to savour.

ACCOMMODATION

Entering through the porch, a slate stone floor with a rising staircase and galleried landing gives access to the ground floor accommodation and features the working servants' bells. There are three principal formal reception areas: the Drawing Room, with its large bay sash window with views across the formal gardens and Arts & Crafts-style fireplace with an open fire and fitted cabinets. Likewise, the dining room enjoys a large sash bay window for the views, an open fireplace and china cupboards. The sitting room presents a comfortable space with bookcases, open fire and views. The cellars include a wine cellar and larger section.

A butler's pantry/laundry with good fitted storage, walk-in pantry, close to the fitted kitchen, which includes a range of integrated appliances and links to the breakfast room with an open fireplace. A spacious garden room close to the kitchen, with a guest WC, links to the expansive two-tiered terraces on the south-westerly elevation for the river views.

On the first floor, the elegant landing gives access to the principal bedroom suite, with four windows for the stunning views across the valley and a shower room en-suite. There are three further bedrooms and a family bathroom accessed from the main landing and a guest suite at the far end, having a bedroom and en-suite shower room. There are two linen cupboards on the landing, and a further staircase gives access to the loft room, presently used as an office, with a dormer window.

TENNIS COURT AND SUMMERHOUSE

A full-size tennis court is discreetly positioned and well sheltered within the grounds, having a Tarmac surface and full-height enclosure. The summer house provides the perfect viewing area and access to the Coach House accommodation. Formed by part of the walled kitchen garden to the manor, this is now presented as a bright conservatory for growing plants and entertaining.

THE COACH HOUSE AND ENTERTAINMENT ROOM

Currently used as independent guest accommodation, the former Coach House is divided into an entertainment room of some 34 ft x 22 ft, overlooking the tennis court, with doors leading into a courtyard barbecue area. The characterful guest accommodation includes a ground floor double bedroom, bathroom, cloaks cupboard and on the first floor, a breakfast area and sitting room (bedroom 2), with high ceilings.

GARDENS AND PADDOCKS

The mature grounds have an abundance of flowering shrubs and roses through the spring and summer months, with large formal lawns and layered hedging. The sun terraces from the garden room have long-distance views and paths meandering to the paddocks and orchard. A naturally fed pond lies at the bottom of the paddock. There is an additional separate gated entrance to the paddock from the road.

GARAGES AND FURTHER OUTBUILDINGS

Discreetly positioned behind an 'in and out' carriage driveway that leads through the grounds to a cobbled courtyard parking area, there is access to the garage, including a mechanic's pit, with stairs to two large loft rooms adjoining two stables with the original hay racks and tack room. Continuing, there is a large tool store and two further stores, with a gardener's WC close to the house.
