LOCATION

Quanton takes its name from the Old English words Cwen + Tun and means 'The Queens Farmstead or Estate' prominent on the skyline is the 14th century church which is exceptionally rich in large late 17th and 18th century monuments. The centre point of Quanton is the picturesque village green which looks up towards the 1830 working windmill. In the middle of the green is a fourteenth century preaching cross and in a picture from the late 1800's the old whipping post is visible where miscreants were tied and flogged! Until the outbreak of Dutch Elm disease the village was encompassed by trees. Quanton now has a public house which hosts fine dining evenings, café, motor repairs, a general store and post office, and there are many clubs and societies. The sports ground features a football pitch, tennis court, and skateboard park.

The surrounding market towns and villages provide a wealth of historical and interesting places to visit including Waddesdon Manor, Claydon House and Quanton Steam Railway which frequently hosts family events. Extensive shopping facilities are situated at Bicester Village Retail Outlet, Friar's Square Centre in Aylesbury, and Milton Keynes.

The A41 provides easy access into Aylesbury, Bicester and the M40 network. Rail connections are fast and convenient on the Chiltern Turbo reaching London Marylebone in under an hour from Aylesbury. Services to Euston are available from Cheddington and Leighton Buzzard. Aylesbury Parkway now provides a link to Marylebone at Fleet Marston. Bicester Village station

provides a rail service to Oxford in 10 minutes and again London Marylebone in under an hour.

DESCRIPTION

Pigott Orchard is a very well regarded location in the village and number 3 has been improved and extended by the current owners. The property now comprises excellent family accommodation set over three floors and at the rear is a generous private garden.

The front door opens into the hall, off which is a cloakroom with a wc, wash basin, and LED downlighting. All of the ground floor except the sitting room has Karndean oak floorboards.

The sitting room is carpeted and contains a gas fire set within a carved marble style surround. There is a stunning kitchen, living and dining room that has a large roof lantern towards the end and a wall of bi-fold doors opening onto the garden. The kitchen is bespoke and was handmade, the wall units a French grey with the islands a darker 'scree' shade. All are soft close and the worktops and backstands are white quartz. The island incorporates a 'Franke' stainless steel

sink. Integrated are a full height fridge, and Bosch appliances including a double oven, dishwasher, induction hob, and a contemporary angled cooker hood. Adjacent the dishwasher in the island are concealed waste bins. The corner of the room opens into a family room, again with bi-fold doors onto the garden, and both the kitchen and family room have LED downlighting. There is a separate utility room fitted in more French grey cupboards and white quartz.

Spaces are provided for a washing machine (plumbing in situ) and a tumble dryer. On the first floor is the attractive landing area and to the right the principle bedroom that has two built in double wardrobes, and then an ensuite bathroom, where there is a wc, a wash basin in a vanity unit, further cupboards and drawers and a counter. Over the bath is a shower and shower screen and the walls are mostly tiled. Another two double bedrooms, each with built in double wardrobes, can be found on this floor, and also the family bathroom.

The second floor has two spacious double bedrooms, both having under eaves storage and dormer windows. The landing is sufficient enough to form a study area and currently provides lots of storage.

OUTSIDE

At the front is a driveway for 4/5 vehicles, a patch of lawn and a garage that has an up and over door, a concrete floor, and power and light.

To the rear of the house an Indian sandstone patio stretches across the width of the property and a further patio is positioned at the end of the garden.
