WITHERNSEA, HU19 2JE

Enjoying an enviable position on the town's South Promenade with uninterrupted views across the sea, this extended three bedroom house offers a rare opportunity to embrace coastal living at its very best. Whether as a permanent residence, weekend retreat or holiday home, this beautifully presented property is perfectly placed to make the most of its stunning seaside setting.

The current owners have tastefully styled the property throughout, creating a welcoming home that is ready for a new owner to move straight into and enjoy. Recently redecoration and newly fitted carpets provide added luxury. The accommodation flows particularly well, centred around an open plan living space designed to maximise the outlook towards the sea.

A large picture window frames the ever-changing coastal views from the lounge, whilst the extended kitchen to the rear provides a practical and modern space for everyday living. The layout is both comfortable and sociable, making it equally suited to relaxing weekends or entertaining family and friends. Additional radiators have been added for extra comfort.

To the first floor are three bedrooms, including two doubles, with the principal bedroom enjoying sea views and fitted wardrobes. The accommodation is completed by a modern bathroom and ground floor WC, offering convenience for everyday living.

Externally, the property is just as impressive. The front garden opens directly onto the promenade and provides a wonderful place to sit and enjoy the sea air, whilst the fully enclosed rear garden enjoys the afternoon sun and leads through to private parking for two vehicles. With the beach quite literally on the doorstep, this is a home that offers a lifestyle as much as a property.

Pedestrian access leads directly from the South Promenade, with steps nearby providing access down onto the beach.

The front garden is enclosed by an attractive wall and feature gate incorporating a decorative boat motif, immediately setting the coastal theme of the property. Designed for ease of maintenance, the garden is gravelled with a patio seating area positioned to enjoy the sea views, creating an ideal spot for morning coffee or an evening drink. A reclaimed wooden rowing boat has been thoughtfully repurposed as a feature planter, providing a unique focal point.

Entering through the front porch, there is useful space for coats and shoes before opening into the main living accommodation.

The open plan lounge diner extends from front to rear, with a large picture window framing the stunning sea views. A central fireplace provides a focal point within the lounge area, whilst the dining space overlooks the rear garden. An open spindle staircase rises to the first floor, enhancing the sense of space and openness.

Leading through from the dining area, the extended kitchen

is fitted with a range of modern neutral units and provides space for a freestanding cooker, fridge freezer and washing machine. The kitchen also incorporates a convenient ground floor WC and provides direct access to the rear garden.

Outside, the rear garden is fully enclosed and paved, creating a low maintenance outdoor space that enjoys the afternoon sun. A useful shed provides additional storage, whilst a gate at the rear leads through to a private driveway offering off street parking for two vehicles. An outside electrical socket is an additional feature for anyone needing power to the garden.

To the first floor, the landing gives access to two double bedrooms and a third bedroom currently utilised as a home office. Bedroom one benefits from fitted wardrobes and enjoys views across the sea. Completing the accommodation is a bathroom fitted with fully tiled walls and a bath with shower over.
