Accommodation

Reservoir Cottage is a delightful home that has been updated, extended and enhanced by the current owners to an extremely high standard. The property benefits from a superb annexe which was converted from outbuildings to create additional multifunctional accommodation which could be used as guest/teenage accommodation or office space. The main house offers pretty accommodation that comprises:

To the Ground Floor: Entrance Hall, Lounge/Dining room, Modern fitted breakfast kitchen, utility room.

To the First Floor: Three double bedrooms and the recently refitted house bathroom.

Annexe with bifold doors from the bedroom/office space, shower room and store.

Outside

The property is approached through gates positioned in the cobbled front wall. There is a flagged driveway offering off street parking for a number of vehicles and this leads to the recently constructed garage.

The gardens are absolutely stunning and have been landscaped to provide a gorgeous area for outside entertaining and alfresco dining.

Situation and Amenities

Reservoir Cottage is positioned on the edge of this picturesque North Yorkshire village, well placed for access to the neighbouring market towns of Boroughbridge (4 miles to the south) and Thirsk (10 miles to the north east) and the Cathedral City of Ripon (5 miles to the west). For the commuter, the A1(M) is nearby and provides access to Leeds, York, Harrogate and Teesside. Mainline rail stations in Thirsk and Northallerton provide direct links to London Kings Cross as well as offering services to Leeds and York.

The Appeal of our Home - The Owners Insight

We love the quiet neighbourhood and the lovely village location. The village is very accessible to major motorway networks and you can be on the A1 in less than 10 minutes. The garden is so private and we can sit outside and see no one in complete peace and quiet.
