## Solar Panels

The current vendors have installed a modern solar panel system. There is a high amount of battery storage at 15 KWA, the system prioritises storage over selling back to the grid, however they do receive payments from the grid. The

system has its own app for tablet and smart phones so you can keep up to date with how it is performing, The panes are monitored by the company that fitted them as well as the app, so they can see if a panel ever starts to produce less than it should and let the owner know. For further information please contact the sole agent.

## Outside

The property has driveway parking for several vehicles, it also benefits from an additional seating area under a canopy. There is side access to the garden and further storage in the garage with power and light. The rear garden is fully enclosed and benefits from a large shed with power. There is an array of greenery and different areas for seating.

## Location

The property is located in Cashes Green, there are local amenities such as the Co-Operative supermarket, coffee bars, and hairdressers. Foxmoor Primary School and Cashes Green Primary School is within walking distance. Other schools such as Archway Secondary School, Marling Grammar for boys and Stroud High for Girls can be found nearby. The property is situated within close proximity to Elm Road playing fields. A wider range of facilities is available in Stroud where you will find a variety of restaurants, an award winning twice weekly farmers market, leisure and sports centre and there is also a main line railway station with intercity services connecting to London (Paddington), Gloucester and Cheltenham. Junction 13 of the M5 motorway is also within easy driving distance.
