There is also a generous living room providing additional reception space, together with a ground floor WC. French doors from both reception rooms open directly onto the enclosed walled garden, allowing plenty of natural light and easy access to the outdoor space. On the first floor are three well-sized double bedrooms, each benefiting from its own en-suite bathroom. Two of the bedrooms also feature private balconies overlooking the walled garden. The property offers excellent built-in storage throughout.

Further advantages include two allocated parking spaces and the property is available with no onward chain.
