An outstanding opportunity to acquire a beautifully presented home in the highly sought-after village of Piercebridge. Offering a wonderful combination of character, comfort and contemporary living, this charming property is sure to appeal to a wide variety of buyers.

'Holly Cottage' is a deceptively spacious home that has been thoughtfully improved and impeccably maintained by the current owner, with considerable care and attention given to both the interior and outside space. Tastefully decorated throughout and complemented by quality flooring, the property offers a warm, stylish and welcoming home ready to move straight into.

The accommodation provides a versatile arrangement of living spaces, including a welcoming kitchen, spacious sitting/dining room with log-burner, cosy and inviting lounge to the front, also enjoying a log-burner, conservatory, family bathroom, two bedrooms to the ground floor, plus a practical boot room, adding to the appeal of this well-considered home. To the first floor is a stunning principal bedroom with en-suite, useful walk-in wardrobe, and access to a study/storage room (restricted height).

Outside, the gardens are a particular highlight. Extensive work has been carried out by the current owner with little regard for cost, creating an attractive and enjoyable outdoor space with multiple seating areas, established garden space and a delightful summer house, perfect for relaxing, entertaining or working from home. There is a large gravelled area with gated access allowing generous parking, leading to the garage for further secure parking or storage.

The setting is equally special. Piercebridge is a picturesque and historic village nestled beside the River Tees, renowned for its peaceful rural character, village green and Roman heritage. The village offers a wonderful sense of community while providing everyday amenities

close at hand, including the popular Piercebridge Organic Farm Shop & Café, and two welcoming pubs serving food.

For those who enjoy the outdoors, the surrounding countryside provides superb opportunities for walking, cycling and exploring, while Darlington and Barnard Castle are both within easy reach for a wider range of shopping, leisure and everyday amenities.

The property is heated by an LPG central heating system, with a discreet sunken LPG tank situated within the garden, providing comfortable and efficient heating throughout the home. Additional features include wood-framed double-glazed windows, an alarm and CCTV.

'Holly Cottage' offers the rare combination of a beautiful village setting, a thoughtfully improved and exceptionally well-presented home, and superb outdoor space. Early viewings are highly recommended to fully appreciate what this delightful property has to offer.
